

NCL Enquiry Form for Power Capacitors
(Email to sales@bsm-technologies.com)

Your Details

Name:

Telephone:

Mobile:

E-mail:

Company:

Address:

Fascimile:

What value of capacitance do you require?

Capacitance: μ F

Tolerance: $\pm 5\%$ $\pm 10\%$
(Put X in box)

What type of capacitor do you require?

AC Filter DC Filter

Energy Storage Snubber
(Put X in box)

What are the voltage ratings of the capacitor?

Nominal AC: Urms

Nominal DC/Charging Udc

Peak repetitive: Un

Non repetitive: Us

Percentage reversal: %

What are the current ratings of the capacitor?

Continuous: Irms

Peak repetitive: Ip

Non repetitive: Is

What is the construction of the capacitor?

(Put X in box)

Metal Fabricated Container

Resin encapsulated metal case

Resin encapsulated insulated case

Resin encapsulated

How many capacitors do you require:

Total Month Year
(Put X in box)

What are your preferred dimensions?

Diameter mm Depth: mm

Width mm Height: mm

What duty will the capacitor see?

Time on: μ s Pulse Width: μ s

Time off: μ s Charge Time: Sec

Repetition: pps Hold time: Sec

What frequencies will the capacitor see?

Fundamental: Hz

Harmonic: Hz

Harmonic: Hz

What temperatures will the capacitor be exposed to?

Min Max

Ambient: $^{\circ}$ C to $^{\circ}$ C

Storage: $^{\circ}$ C to $^{\circ}$ C

What life expectancy is required ?

Energised: Hr Non-energised: Hr Discharges: Shots

Comments:
